1 Welcome to GIG

Dear Customer,

Thank you for choosing GIG and welcome to the GIG family. Indeed, GIG already satisfies more than 200,000 customers in the Arabian Gulf.

The policy you have chosen is a high quality insurance product that provides comprehensive benefits and it fulfils the requirements of the Laws of the Kingdom of Bahrain.

Please read this insurance policy carefully to ensure that you understand the terms and conditions and that the cover you require is being provided.

This policy is a contract between YOU and GIG Gulf describing all the information you need on your motor insurance.

The contract between YOU and US will include:

- Information provided by YOU
- This policy
- The Schedule and any endorsements shown in the schedule
- The Certificate of Insurance.

All these documents will define your individual insurance coverage for the period of insurance agreed.

Having received and accepted your first premium, and any subsequent premiums required, we will provide the cover shown in the sections of the policy you have chosen, up to the market value, and/or sums insured or limits of indemnity specified in the policy.

In the event you decide to sell the vehicle and wish to cancel the policy midterm, we can do so provided you submit the proof of transfer of the vehicle and insurance certificate in the name of the new owner. If you have not had any claim until such time the policy is cancelled you will be allowed a refund after adjusting the appropriate premium for the period the cover was in force, at the company's short term rates.

If you have any questions after reading these documents or changes that may affect your insurance, we will be happy to clarify it at any time during the policy period and please feel free to contact GIG.

10 Frequently Asked Questions

Why can't the insurance and registration be in two different names?

The Policy Holder should normally be both the main driver of the vehicle and the registered owner. The Policy Holder must have a financial interest in the vehicle. The traffic department will only register a vehicle in the name stated on the insurance certificate.

How do you calculate my insurance premium?

A number of factors are used to calculate your insurance premium. Amongst these factors are the age of the driver, length of driving experience, claims history, location, vehicle value and type.

Why can't the insurance be transferred when the vehicle is sold?

As the insurance premium is affected by the profile of the driver, it is not possible to transfer insurance cover from one driver to another. The existing policy must be cancelled. The new owner will then be given a new insurance certificate that is required for registration purposes, up to the expiry of registration.

Can I choose which garage I want to take my vehicle to?

If you are entitled for Agency Repairs then your vehicle will be repaired at the main authorized dealership. Otherwise GIG will select one of its authorized repairers. The garage we choose will depend on the vehicle type, nature of damage and availability. We only use garages that adhere to our strict quality controls.

We make sure the garages we use generally have experienced and qualified people and is fitted with sophisticated repair equipment.

How does GIG's motor insurance differ from other insurance companies in the market?

GIG provides one of the highest levels of motor protection in the Middle East – combined with the security and service standards of a large international operation, 24-hour accident recovery, guaranteed repairs and extended opening hours. If you are being offered insurance cover from another source at a lower premium it's probably without some or many of these benefits.

Does my policy cover whilst used off road?

Your GIG policy automatically covers private cars when being driven off road provided your car has 4 wheel drive capability and you are not using the vehicle in a race or competitive event. Cover however is not valid if the vehicle used in the desert.

What is the short period scale?

The short period scale applied is as per the below table:

Period of Insurance	Short Period Premium	Short Period Refund
Of the Annual/Charged Premium		
1 day to 1 week	12.5 %	87.5 %
1 week to 1 month	25 %	75 %
